MOGA COLLEGE OF EDUCATION FOR GIRLS

GHALL KALAN, MOGA (PB), INDIA

MOGA COLLEGE OF EDUCATION FOR GIRLS GHALL KALAN, MOGA

Moga College of Education for Girls, Moga is a recognized Institute/College established on 19 July 2005 by Shiva Educational Trust (Regd.) Moga in the memory of the great patriot Sher-E-Punjab Lala Lajpat Rai, who was born in a village near Moga. It is located on the Moga-Ferozepur G.T. Road, Near Police Station Sadar, Moga and is about 6 KM. from Nestle India Limited. It is approved by NCTE, Jaipur and Panjab University, Chandigarh. It is also accredited by NAAC with grade 'B' (CGPA-2.26) in 2009.

Purposes

- + To develop human relations and moral education among the pupil teachers.
- + To develop the overall personality of pupil teachers.
- + Excellence in teaching methods and strategies with ICT.
- + To train pupil-teachers for quick, absolute and effective thinking.
- + Competency and skill to meet the social economic needs of society.

Vision

- + To promote academic excellence by maintaining high teaching standards.
- + To equip the present student teachers to prepare the learners to face the global challenges of future.
- + To develop quality in Teacher Education.
- + To be recognised as one of the finest institution in the village for its quality commitment and excellence in education.
- + To equip the students as catalysts for the transformation of the society and nation building.

Mission

- + Excellence in teaching within a student-focused, supportive and challenging environment.
- + The development of ethical and socially responsible leaders, professionals, scholars and citizens.
- + The creation of opportunity for pupil teachers who seek truth, knowledge and higher quality of life.
- + Effective partnerships to provide meaningful involvement in education, economic and community development.
- + To provide reasonable and affordable access to quality higher education.
- + To provide opportunities to student teachers and faculty members to under take action research projects to gain new insights in teaching learning process.
- + To develop skill for information processing and the life long learning to handle technological advanced equipments & media.

Values

- + To cultivate and advocate ethical behaviour in all of aspects of our work.
- + To build co-operative relationships with other institutions committed to advancement.
- + To develop core values and inner qualities like good character, punctuality and truthfulness etc.
- + To provide moral based education.
- + To build self-esteem, self-descriptive and respect for human values.
